STEP 1

Link your My WU® number

If you have multiple My WU numbers, click 'Combine'.

STEP 2

Enter second number

Enter your second My WU number and click 'Combine'.

Customer details in both My WU profiles must match in order for the combine function to work (i.e.: first name, last name, and phone number should match).

Please review your My WU numbers and points. Combining accounts is permanent and cannot be undone.

STEP 3

Confirm

Click 'Confirm' to finalize the combining of the accounts. Combining accounts is permanent and cannot be undone. All My WU points from each account will be combined and total balance will be shown.

STEP 4

More My WU numbers?

If you have more My WU numbers, repeat steps 1 through 3 until all membership numbers have been successfully combined.
